

## Art in Public Places Program

**Art in Public Places Fees are collected for the following developments, per Ordinance No. 2741:**

- New commercial or manufacturing developments with a valuation of \$250,000 or more.
- Residential development of more than two lots or units, or modifications or additions to such developments with a valuation of \$250,000 or more.

### **To calculate the Art in Public Places Fee:**

The formula for the Art in Public Places Fee is half a percent of the valuation.

Example: Valuation - \$500,000  
Art in Public Places Fee = \$2,500 ( $\$500,000 \times 0.5\%$ )
